SUBJECT Marcel ZSCHUNKE - Traces - Further Action				
ACTION REQUIRED - REFERENCES				
REF: A. EGSA 11458, 26 September 1966 B. EGSX 8, 10 August 1966 C. EGOA 23918, 26 July 1966 (Not sent Stuttgart)				
1. Your pursuit of this tracing problem is greatly appreciated, and we should now like to request further action. We need to recover Subject's registrations prior to the one dated 9 May 1952, from Breitensteinerweg, Weil-im-Schoenbuch, Kreis Boeblingen to Untertuerkheim. This was recorded in Attachment to Reference B.				
2. References A. and C both referred to Subject's possible MfS status. A recheck of IBM No. A0555 produced the following composite entry (card reference 32E-5-28, 20 February 1959): Marcel ZSCHUNKE @ Heinz WEBER; DOB 1915; EGIS function-sabotage/action; Shbordination - Economic Sabotage Section, MfS Berlin, Normannenstrasse; released from Antifaschule near Tula, USSR, in late 1949; DOI 1952; Source 66th CIC EGIS Workbook.				
3. The above obviously leaves open the modestly interesting possibility that Subject was transferred from MfS Normannenstrasse to "clandestinity" sometime between his identification by CIC and his appearance as of 9 May 1952 in Untertuerkheim. To clarify this situation, we will need your help in having his previous registrations checked out per Paragraph One above.
